

Corinthian Cast Stone

# Anchors & Shims

## Ordering Catalog

 **CORINTHIAN**  
**CAST STONE, INC.**

*Delivering Quality without Compromise*

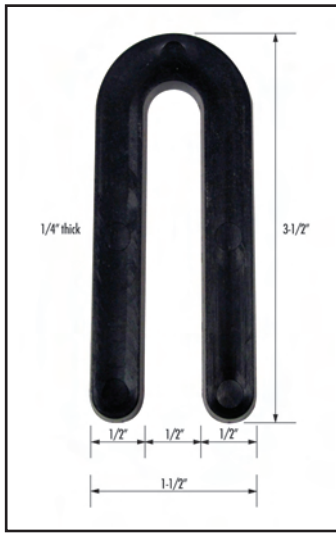

## HIGH-IMPACT PLASTIC HORSESHOE SHIMS

Corinthian Cast Stone high-impact horseshoe shims allow fast, easy, low-cost leveling of precast stones, limestones, masonry applications and storefronts. Eliminate the guesswork, our shims are color-coded according to thickness. We offer 10 sizes and 3 thicknesses.

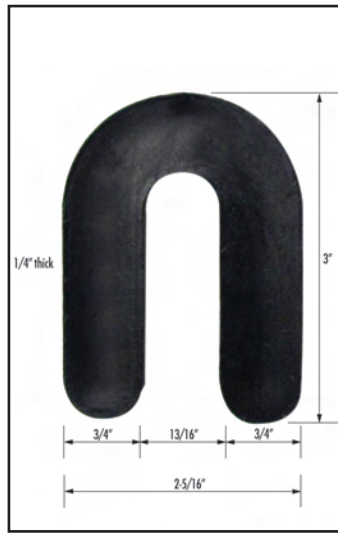

### FEATURES:

- Maximum service life – high-impact polymer is inert
- Low cost, non-staining, color-coded, perfectly balanced
- Light weight, easy to use, easy to install
- Unaffected by liquids, natural chemical and alkalis
- Will not rust or leach when exposed to moisture
- ASTM rating of 5000 psi compressive strength
- Classified – slow burning, no toxic fumes
- Automatic insulation between dissimilar metals
- Available in 10 stock sizes and 3 thicknesses
- **Custom sizes and rectangular stock available**
