

# Education SEMINARS

*The Cast Stone Institute is offering you three opportunities to learn about Cast Stone while Earning “Health, Safety and Human Welfare” Learning Units.*

*The American Institute of Architects Continuing Education System AIA/CES Registered Provider Program Summaries.*

## ARCHITECTURAL DESIGN WITH CAST STONE

**Presenter:** Cast Stone Institute (Industry Professional)  
**Program #:** CSI 104

**Length:** 1 Hour | **Credits:** 1 AIA/CES LU/HSW

### DELIVERY

A PowerPoint presentation by a Cast Stone Institute® member.

### LEARNING OBJECTIVES

Attendees will have a clear understanding of Cast Stone: how it is produced and how it differs from associated materials; the various applications of Cast Stone for residential, commercial, municipal, educational and other uses; design recommendations as well as anchoring details and inherent sustainable attributes of Cast Stone and LEED®.

## CAST STONE CONNECTIONS

**Presenter:** Cast Stone Institute (Industry Professional)  
**Program #:** CSI 103

**Length:** 1 Hour | **Credits:** 1 AIA/CES LU/HSW

### DELIVERY

A PowerPoint presentation by a Cast Stone Institute® member.

### LEARNING OBJECTIVE

Attendees will understand common exterior veneer installation methods and terminology, learn design and installation techniques as they relate to anchors and exterior cast stone veneer, gain knowledge to improve the quality and performance of interior and exterior Cast Stone veneer installation and become aware of applicable industry codes and regulations.

## Additional information for above programs:

### HOW TAUGHT

The Cast Stone Institute® presenter utilizes a PowerPoint presentation to provide an in-depth overview of Cast Stone. This program meets every experience level with time designed into the program for questions and answers.

### A/V NEEDED

Electrical power and a screen for the PowerPoint Presentation.  
(The Cast Stone Institute presenter supplies the laptop and projector.)

**COST** There is no cost to bring these programs into your firm.

## THE MAKING OF CAST STONE: A PLANT TOUR

Presenter: Cast Stone Institute (Industry Professional)  
Program #: CSI 105

Length: 1 Hour | Credits: 1 AIA/CES LU/HSW

### DELIVERY

An interactive tour of a Cast Stone Institute Certified Producer member plant to understand how quality cast stone is produced.

### LEARNING OBJECTIVES

Participants will be able to understand how cast stone production shop drawings are generated from architectural plans. Learn how molds are made to form the cast stone as specified in the drawings. Become familiar with at least one method of cast stone production. Understand the major aspects of the Cast Stone Institute Quality Control Program for cast stone production and shipping.

*For more information or to set up a presentation contact a trained Cast Stone Institute® member in your area.*

*A complete, up-to-date list of trained providers can be found at the Cast Stone Institute web site [www.caststone.org](http://www.caststone.org).*
