CORINTHIAN CAST STONE COLOR LIBRARY AND CUSTOMIZATION OPTIONS

Corinthian Cast Stone Inc. is proud to offer an extensive Color Library featuring hundreds of mix designs to meet your project's aesthetic and functional needs. Our color policy prioritizes timely delivery of samples while giving you the flexibility to choose the level of customization required.

COLOR OPTIONS

1. **Standard Colors**
   - Crafted using our primary base aggregates, white Portland cement, and select iron oxide pigments.
   - Standard Colors are included in your Cast Stone Proposal as a value-driven option for projects requiring reliable, consistent hues.
   - Current Standard Colors include:
     - LS1, LS7, LS38, BL1, BL5, LS3, LS17C,.*
   - Note: Availability of Standard Colors may change. Please consult your sales associate for the most up-to-date list.
2. **Premium Colors**
   - Designed with specialty aggregates, white or gray Portland cement, and iron oxide pigments, these colors offer enhanced aesthetic options.
   - Pricing for Premium Colors varies depending on the aggregates and pigment concentrations required.
3. **Custom Colors**
   - Tailored to your specific requirements, Custom Colors are made from a wide selection of aggregates, Portland cement, and premium pigments.
   - To initiate a Custom Color request:
     - Submit a sample of the material to be matched along with a completed Color Match Form and the required Color Match Fee.
     - Corinthian Cast Stone will provide a range of up to five samples for your selection.
   - Color Match Fees: $250–$1,500 (based on aggregate and pigment requirements; quoted upon review).
   - Custom Color Costs: Pricing depends on the required materials and pigment loading and is quoted upon submittal of your approved color sample.

TIMELINES AND SAMPLE DELIVERY

- **Standard or Premium Colors:** A sample of the closest match will be sent on the same day we receive your Color Match Form and sample.
- **Custom Colors:** Typically, samples are sent within 2-3 weeks after receiving your Color Match Form, sample, and fee.
- Custom Color samples measure approximately 6" x 6" x 1".

ADDITIONAL CONSIDERATIONS

Upon review of your sample, we will inform you if specialty aggregates are required for the desired match. Any additional costs associated with specialty materials will be communicated prior to proceeding.
