CORINTHIAN
CAST STONE, INC

HISTORICALLY ACCURATE | CRAFTED FOR BEAUTY | BUILT TO LAST

MOCK-UP POLICY

PURPOSE AND BENEFITS

Mock-ups serve to verify design choices, assess aesthetic qualities, and ensure compatibility with other materials. They provide a tangible representation of the final product before full-scale production.

OPTION 1: NO CHARGE MOCK-UP

Pre-requisites:
- Shop drawings have been approved, finalizing all profiles
- Molds are fabricated
- Color is selected and approved

Details:
- Full-size project-specific unit to be used in construction
- Packaging: $50.00 per pallet (if required)

Freight Options:
- No cost: FOB Plant 11798
- Cost option:
  a. Dedicated freight: Cost equal to one delivery of contract value
  b. Combined freight: Pallet combined with another delivery in the area

OPTION 2: COST FOR MOCK-UP

Requirements:
- The customer specifies exact profile, length, and color of the unit
- The customer provides fully dimensioned drawing
- Molds fabricated to customer specification
- Color selected by the customer (if not already approved)

Process:
- Unit cast as specified above

Freight Options:
- Same as Option 1

COSTS:

- Customer is responsible for:
- Fabrication sketch for plant release
- Mold cost (credited to project if profile and length are used)
- Short run mixer clean-out ($500.00)
- Cost of cast stone units for mock-up
- Packaging ($50.00 per pallet if required)
- Freight (if applicable)

QUALITY ASSURANCE

- Rigorous inspection procedures and quality checks are performed throughout the mock-up production process to ensure consistency and accuracy.

HANDLING AND STORAGE

- Guidelines for proper handling and storage of mock-up units will be provided to prevent damage or deterioration before use in construction.

COMMUNICATION PROTOCOL

- Regular updates will be provided throughout the mock-up process. Customers are encouraged to communicate any concerns or questions promptly.

ADJUSTMENTS AND CHANGES

- If changes are needed after reviewing the mock-up, potential impacts on cost and timeline will be discussed and addressed.

LEGAL AND CONTRACTUAL CONSIDERATIONS

- All mock-ups are subject to standard warranties and guarantees as outlined in the project contract.

For any additional information or clarification, please contact our customer service department.
